## CIRCULAR

Ref.No: SINCOP/OFF/MAY/2025 - 26/012

DATE: 26.05.2025

Dear Students,

We wish to bring your kind attention that it has been observed that few students are disposing food waste, food wrappers, and other garbage outside the classroom through windows during the lunch break. This behavior is strictly unacceptable and affects the cleanliness and hygiene of the campus.

All students are instructed to follow the guidelines below:

- Disposal of food waste only in the allocated dustbins placed on each floor.
- Paper waste and other non-food items must be thrown into the classroom dustbins.
- Do not throw any kind of waste outside the windows under any circumstances.

Failure to comply with these instructions will result in a fine/severe action. Let us all take responsibility for keeping our campus clean and tidy.
